

NCP Membership Group

Hello! I hope you are well and ready to start the New Year! Honestly, I can't believe how fast 2018 flew by. Like most people, my December is always filled with numerous holiday celebrations, get-togethers with family and friends, and an extended school break. Personally, it is also a time that I slow down considerably and allow myself to re-charge my batteries which is a great way to end the year and begin a new one!

*But now it is time to get back at it!
And I say... bring on 2019!!*

To that end, I wanted to check in with you about your 2019 NCP Membership as it expired on December 31 unless you submitted your renewal.

If you haven't taken care of it yet, don't worry... there is still time!

Trust me, I completely understand that year-end and the holiday season can be a time killer putting you way behind. Next thing you know it is the beginning of the year and you are off and running with a whole new set of "to-dos". It is easy for things like this to fall between the cracks. So even though your membership has expired, I will give you extra time. I am fully aware that it isn't your fault this happened. Life... work... your affordable housing responsibilities... just got in your way.

But it's time!

Time to put your professional development and credibility first!!

You've worked incredibly hard to earn your NCP designation. You know the value it brings to you not only in regular updates, fantastic tools, an incredible annual conference and the confidence of being part of an elite group of professionals who care about compliance, but also in its sheer value it brings to those working with you when they see the N... C... P... behind your name and realize you know your stuff!

As always, I have given you 3 different renewal options that you could choose from... **Regular**, **Silver**, and **Gold**... which I have summarized on the next page. It makes no differences to me which option you choose! I want you to do what is right for you. I only provide the different options as a way for you to pick up other helpful tools along with your 2019 membership that will help reduce your stress and have a successful compliance year.

On the last page you will find the **Offline Renewal** but remember you can also renew online and take advantage of our **GO GREEN DISCOUNT** we've implemented in an effort to be more environmentally conscious. To encourage you to join in our efforts, we have created an additional discount *only available* to those who renew online and have eliminated the paperwork you need to provide us!

By renewing online with this offer, you reduce each membership level to...

- **GOLD:** \$773 or \$673 if you apply your FREE GIFT
- **SILVER:** \$483
- **REGULAR:** \$199
